## Our classes for April 2012 – July 2012 Continued.

### SOS Club- Fee Member

It's for those of you who subscribe to the SOS program for your embroidery software from Husqvarna Viking.

What is the SOS program? It's a software support program that provides technical support if your software is "broken" as well as an educational program! You'll get a monthly e-mail newsletter and an audio video class that you can download from the internet and watch/practice any time you want to! They're GREAT classes – And what about this SOS Club that Holland's is offering as an added benefit to those who subscribe? We'll watch the video together, and try the things that they teach us. Meetings will be the third Tuesday afternoon of each month from 1-4 p.m. Remember, we may need to adjust this time, if we find we're having too much fun! Talk to anyone at Holland's Sew Shoppe about joining SOS, they can tell you what it costs for a one-year subscription, and sign you up!  
(April 17, June 19, July 17,)

### UFO – Fee \$6

Do you have quilt tops or an embroidery that you haven't got done and don't know what to do next.

This is the class for you. We are going to do it the second Wednesday of the month from 6-9. You can bring what you want to work on and ask me for help. The fee is \$6 for each class.

(April 11, 6-9, May 9, 6-9,  
June 13, 6-9, July 11, 6-9, Virginia)

### Focus on Organizer -

Learn how to get embroidery designs from the CS in the package to your embroidery machine and how to store your designs on your computer. **This class is designed for people who are new to embroidery and embroidery software.**

April 19, 5:30-8:30 (Karen)

### Day and Night –Fee \$40

The quilt looks like it would be hard to do. But it is fun. You will have to have Eleanor Burns book called Day and Night to take this class. It would be best if you have done a couple of quilts to take this class. It isn't for a beginner. We will be doing the two color one from the book. So sign up for the class.

(March 28, April 4, 25 6-9 -Virginia)

### Embroidery Software Ultra Basics

Learn the basics of using this software to add a little something to your existing embroidery designs. **This class is designed for people who are new to embroidery and embroidery software**

May 3, 5:30-8:30 (Karen)

### Beginning Quilting -Fee \$45

This is a beginning quilt class. You will learn how to start making a quilt by cutting out difference blocks, and sewing them together each week.

May 16,23,30 6-9 (Virginia)

### Christmas Quilt – Fee \$45

We had so much fun last year doing a Christmas Runeer. I was thinking for Christmas in July we would have fun making a quilt. We will cut it out and sew it in class. I have one in mind, but I have to make it first.

So look for it in the store in June to see if you want to take it. We will have fun doing it.
